Scioto Foundation Scholarship Application Quick Facts

The 2023 application will be available Monday, December 12, 2022, and you will have until Wednesday, March 15, 2023, at 5 p.m. to complete your application. All required letters of recommendation must be received online before 5 p.m., Sunday, March 19, 2023. **To apply, go to our website:** www.sciotofoundation.org. Click on "Scholarship Application" at the bottom of the page.

What you will need to complete the application

You must have the following with your completed application:

- A current transcript of college grades and/or high school grades. If you are a graduating high school senior participating in College Credit Plus or Dual Credit, you must attach those transcripts too!
- One recommendation from a member of your school faculty.
- One recommendation from a member of the community.
- Some scholarships will require an additional recommendation. For example, some require a recommendation from a coach, a 4-H advisor, or a specific teacher such as a Music or Spanish teacher.
- You may have to complete one or more essays. The online scholarship will direct you to this if needed.
- EFC number. Expected Family Contribution (EFC) is the number calculated with information from the FAFSA used to determine a student's eligibility for financial aid.

Please Remember:

- Slow down and read the questions carefully.
- Be sure to ask in person those you wish to recommend you! Keep in contact with them to be sure they complete the task prior to the deadline! Invite additional folks as backup recommenders. Remember, without the proper number of recommendations, your application is **NOT COMPLETE** and cannot be accepted.
- You must submit your application on time, or it will be considered incomplete! (You can submit your application before all recommendations have been received.)
- Be sure to contact your counselor about getting your transcripts in a timely fashion. If it is late – your application is incomplete.
- If you are a music major – be sure to submit an audition video! *Solo auditions only (with accompanist if needed); no group ensembles or full production.*

Did you know?

The Scioto Foundation awarded over \$660,000.00 in scholarships in 2022

- We have awarded scholarships to students because no one else applied!
- We had scholarships in 2022 that were not awarded because we didn't receive eligible candidates.
- There is no guarantee that if you apply, you will receive a scholarship. However, you may be surprised. A few hours of work completing the application could turn into thousands of dollars for your college education!

All scholarships of the Scioto Foundation were created through contributions from individuals, businesses, and groups! In other words, our scholarships are not from governmental sources; they are from people in your community who want to help you to go to college & succeed!
