Transforming Our Community with GLSD

Join the Green LSD, and the Scioto Foundation in sharing our vision that one day every Scioto County student will have the financial resources to attend the college or university of his or her choice. With the help of thoughtful, caring individuals, GHS, GMS & GES are well on their way, but we still need your help. As a partner, the Scioto Foundation has pledged \$25,000 to be used as a prorated match for all school funds. Your monthly gift will be matched by Scioto Foundation no matter what size. What a return on your investment the Scioto Foundation match will provide!

HELP OUR KIDS SUCCEED BY SUPPORTING UCAN

Your taxdeductible gift to the Green Schools and Community Endowment Fund will help us to sustain a lasting legacy beyond any one person or generation! Please be a part of our legacy! Your gift of \$10, \$5, \$2 or \$1 per pay can make a lasting impact for the future of our kids! Our goal is that each graduate of Green High School will receive financial assistance and support to attend college. We have a vision of making a difference in the future of our students and community by doing "What's best for our kids".

The cost of tuition, room and board continues to spiral out of control, outpacing inflation for the past several years, reaching a 40% increase since 1997. The average public college cost is now well over \$15,000 per year.
